Full Stack Developer with hands-on experience building web applications using React, Django, Django REST Framework, and SQL. Experienced in developing REST APIs, authentication systems, database-driven applications, real-time communication using WebSockets, and integrating third-party services. Strong foundation in Python, JavaScript, SQL, and modern web development practices.

Technical Skills

Languages — Python, SQL

Frontend — React.js, HTML5, CSS3, Tailwind CSS, Vite

Backend — Django, Django REST Framework, REST APIs, WebSockets

Databases — PostgreSQL, MySQL, SQLite

Tools & Technologies — Git, GitHub, Docker, Redis, Cloudinary

Deployment — Vercel, Render

Projects

Nexus Chat — Real-Time Full Stack Chat Application

React.js, Django, Django REST Framework, WebSockets, Redis, Cloudinary, JWT

- Developed a full-stack real-time chat application using React and Django REST Framework.
- Implemented JWT-based authentication, user profiles, private conversations, and group conversations.
- Built REST APIs for users, conversations, messages, and file attachments.
- Implemented real-time messaging and typing indicators using WebSockets, Django Channels, and Redis.
- Integrated Cloudinary for cloud-based attachment storage and implemented message editing, soft deletion, and pagination.

ShopSphere — Full Stack E-Commerce Application

React.js, Django, Django REST Framework, SQL, Tailwind CSS, Stripe

- Developed a full-stack e-commerce application with a React frontend and Django REST backend.
- Designed relational database models for products, categories, brands, customers, reviews, coupons, and orders.
- Developed REST APIs for product browsing, authentication, reviews, customer operations, and order workflows.
- Built responsive user interfaces using React and Tailwind CSS.
- Integrated Stripe for online payment processing and implemented product catalog, reviews, coupons, and order management.

Education

B.Tech in Computer Science and Engineering — Rajiv Gandhi University of Knowledge and Technologies, RK Valley

Expected Graduation: 2028

CGPA: 8.6/10
